---

### **Technical Specifications for models (DG/P-5,DG/P-6, DG/P-7)**

#### **SPV Module(1)**

- Amorphous silicon (18.75 wp)

#### **Lamps**

- 220 lumens, CCFL Type

#### **Battery**

- 12 Volts, 26 AH
- Maintenance free, sealed, lead acid calcium, valve regulated, deep cycle.
- 56 hours storage autonomy.

#### **Electronics**

High efficiency SC Controller with Battery charge regulation. Auto cut off feature. Reverse Polarity indication, Auto Fuse and short circuit protection. Battery condition indicators. Solar power control.

#### **Battery**

12 Volts, 26 Amp Hours, Deep Cycle, VRLA, Maintenance Free, Solar Battery

#### **Usage**

Pre set Lighting control
